

# How to Read the Detail Table For Capital Projects

This detail table provides information on all the Governor's proposals for the capital budget. Agencies are displayed by secretarial area, in the same order as in the Budget Bill. The table shows only those secretarial areas and agencies

for which the Governor's proposed amendments to the 2002-2004 biennial budget includes a capital recommendation. Figures are whole dollar amounts. Negative numbers appear with a minus sign.

**General fund (GF)**  
This column shows the "general fund" amount recommended. This fund reflects revenues primarily from broad-based taxes such as individual income tax, the corporate income tax, and the sales tax. These amounts can be used for a variety of state government services.

**Nongeneral funds (NGF)**  
This column shows recommended amounts from "nongeneral funds." Law earmarks these funds for special purposes, such as federal grants for mandated programs, the motor fuels taxes for transportation needs, and tuition and fees for educational programs at state colleges and universities.

**Debt funding**  
This column shows the amount to be funded through debt, including various types of bonds.

**Type of debt**  
This column show the type of debt proposed. Types include bonds issued by the Virginia College Building Authority (VCBA) and by the Virginia Public Building Authority (VPBA), as well as debt authorized under sections 9(c) and 9(d) of Article X of the state's Constitution.
