

STUDIES AND EVALUATIONS

The Code of Virginia requires the Governor’s Executive Budget to supply a “listing of all activity, program-related, agency or departmental evaluations performed in the previous two years, with guidance indicating the manner in which the public can gain access” to the studies. Studies are grouped by secretarial area, and then by agency. Three main sources are used to compile the information listed below:

- **Legislative Information System (LIS).** LIS catalogues studies, evaluations and reports. LIS can be accessed via: leg2.state.va.us or toll free at (888) 892-6948.
- **Joint Legislative Audit and Review Commission (JLARC).** JLARC is authorized by the Code of Virginia to prepare and record studies and reviews. These studies and reviews may be accessed at: jlarc.state.va.us or (804) 786-1258.
- **Other studies and evaluations.** Several other reports are accessible via individual agency websites, which are listed with the associated report.

Please note: the term “date” refers to the year of publication.
