

UNIFIED REGULATORY PLAN OF THE
 VIRGINIA DEPARTMENT OF MILITARY AFFAIRS
 (FY 2023)

1 OCTOBER 2022

1. **AGENCY SUMMARY.** DMA is a unique state agency in that it is primarily operated under Federal Army and Air Force Regulations as well as receiving most of its funding from the Federal Government. Virginia Code Section 2.2-4002.B.6 exempts regulations related to “customary military, militia, naval and police functions” from the requirements of the APA. Our military “regulations” fall under this exemption, therefore they are not subject to the APA and are not published as a Chapter in the Virginia Administrative Code. No Agency Regulations have been implemented that would change our exempt status within APA requirements.

2. **INDIVIDUAL REGULATORY ACTIVITIES.**
