## REPORT: CHART OF ACCOUNTS CHANGES

### March 2, 2018

---

---

*The following changes were approved and very recently entered in the PB system where chart of accounts information is stored and maintained. Whenever there are multiple entries within a given data category, they are listed in Agency code order rather than by date. Formal listings of chart of accounts tables maintained in the PB system are available for review via report on the DPB Web site at <http://dpb.virginia.gov/budget/budget.cfm?page=COA>.*

*It should also be noted that codes are often retained as active in the PB system beyond their official closing date to perform special processing required to close out the agency and any funding issues from a budget standpoint.*
