

REPORT: CHART OF ACCOUNTS CHANGES

March 18, 2017 through June 27, 2017

The following changes were approved and entered in the PB System between March 18, 2017, through June 27, 2017. Entries within each category are listed in Agency code order rather than by date. Formal listings of chart of accounts tables maintained in the PB system are available on the DPB Web site at <http://dpb.virginia.gov/budget/budget.cfm?page=COA>.

It should also be noted that codes are retained as active in the PB system beyond their official closing date to perform special processing required to close out the agency and any funding issues from a budget standpoint.
