Instructions for DPB Form MR-1
Maintenance Reserve Subproject Request

All requests for new maintenance reserve subprojects for the 2002-2004 biennium must be submitted on a DPB Form MR-1. Prepare a separate DPB Form MR-1 for each subproject that is being requested. (See Appendix A for a definition of maintenance reserve projects.) This form does not have to be prepared for maintenance reserve subprojects being requested for the last two biennia of your six-year plan.

Item 1  Agency Name. Enter your agency’s name.

Item 2  Agency Code. Enter the three-digit agency code for your agency.

Item 3  Subproject Title. Give the new subproject a clear, descriptive title. Begin each title with an action verb.

Item 4  Subproject Priority. Enter the priority ranking of the subproject among all of the new subprojects being requested for the biennium.

Item 5  Building Name. Enter the name of the building(s) where the work will occur.

Item 6  Building Number. Enter the number of the building(s) where the work will occur.

Item 7  Building Location. Enter the name of the city or county in which the subproject is located. If the project is intended to serve a number of localities, enter the name of the region. If it includes projects all over the state, enter “statewide.”

Item 8  Subproject Control No. Enter the subproject control number. The eight-digit project control number begins with the three-digit agency code, followed by two digits for the first year of the biennium in which the subproject is being requested, and concludes with three digits which represent the next number in sequence for that biennium. For example, the subproject control number for the fifth project submitted by agency 246 for the 2000-2002 biennium is 24600005.

Item 9  Name of Person to Contact about this Form. Enter the name of the person to contact who can answer specific questions concerning the information provided on this form.

Item 10  Contact Person’s Telephone Number. Enter the telephone number of the contact person.

Item 11  E-mail Address. Enter the e-mail address of the contact person.

Item 12  Subproject description/justification. Provide a brief description of the nature of the proposed work and the reason(s) the work is required. The subproject description/justification should be of sufficient detail to clearly define the scope of the subproject and to describe why the subproject is necessary. The need justification could include age and condition of current property, plant, or equipment; the number of man-
hours invested annually in repairs; interruptions of services or service backlogs; and safety hazards to clients or staff. Also, please provide a general description of the present use and function of each building for which funding is being requested; for example, dormitory, instruction – math and English, administrative offices, etc.

**Institutions of higher education** also must provide the percent of the building’s function and purpose that is attributable to educational and general activities.

**Item 13**
